Education Australia, 2003). It is targeted at upper primary and lower secondary students (ages 10-15 approx). It is based on Conflict Resolution Network's 12 skills of Conflict Resolution.

Conflict Resolution Free training material & self-study guide

Conflict resolution skills are something all teenagers must learn. And you need to be the teacher. Why Does Conflict Occur? Conflict is part of life. No matter how much you want to protect your child from it, she has to face this reality. Conflict can occur within the family, with siblings and parents, with friends, and with society in general. But the one thing you need to teach your teenagers is that a conflict need not be a negative experience.

Aid

The line between helicopter and hands-off can get confusing, as adults waver between wanting to protect young people from the pain of broken friendships and believing that bullying is an inevitable rite of passage. The bottom line is this; no child should have to find her way through painful conflict alone.
