The Fate Of Place A

Not merely a presentation of the ideas of other philosophers, The Fate of Place is acutely sensitive to silences, absences, and missed opportunities in the complex history of philosophical approaches to space and place. A central theme is the increasing neglect of place in favor of space from the seventh century A.D. onward, amounting to the virtual exclusion of place by the end of the eighteenth century.

Place is the face of your brand wherever that may be: a fast-food restaurant, a food-truck, a hotel, a cruise ship, a chat room, or your front and back yards. Place can also be where your brand sits in a retail environment, whether in-store or online. Place helps a brand be top-of-mind for a customer making choice simpler.
